## WEST: Learner Guide

Rebecca Morgan-Study Support Coordinator

## 1: Screener

The screener is a short assessment (15 questions )

The Initial Assessment will allow us to gain an insight into your current literacy and numeracy abilities and help us ensure we are setting the right learning targets for you. It will also allow us to provide any relevant support you may need during your time at the college.

Please use the details below to log in. Your ID number is located on the e-mail.

Screener	
Wales Essential Skills Toolkit gives you opportunities to improve yo	our communication and number skills.
Screeners are short tests to give you a rough guide to your current	skills level.
There are <b>15 questions</b> in a screener, and a separate screener for	or each of our courses.
To begin, enter your details below, then press the button to re-	veal the screener links.
At the end of your screener, be sure to print your result so you	can keep a record of how well you did.
If you register with a college or training provider, you can take a more	re detailed assessment of your skills later.
